

CHISOUND Music Group

The ChiSound Music Group is headed by none other than Carl Davis the third. He is the son of legendary Producer and pioneer of Soul music, Carl Davis. Carl Jr. as we call him, along with the ChiSound Companies, brings to music, not only an ear that has been tuned to classics, but a catalog of successful masters that guarantee the highest standards of music, all genres. These masters are the Holy Grail of tapes from the past 60 years ... The Davis Library. This will be the foundation for new music with some classic hooks. There are also new artists to come. Keep your eye and your ears on the new ChiSound Music Group.
